

Clean Water Revolving Fund Draft 2017 Project Priority List and Intended Use Plan

Public Notice

Date: August 30, 2016

To: Local Governments with Clean Water Projects on the 2017 Project Priority List
Other Interested Parties

The draft Fiscal Year (FY) 2017 Project Priority List (PPL) and Intended Use Plan (IUP) for the Clean Water Revolving Fund (CWRP) are now available for public comment.

The PPL, prepared by the Minnesota Pollution Control Agency (MPCA), identifies wastewater and stormwater projects that are potentially eligible to receive financing through the CWRP within the next five years. Projects on the PPL are listed in priority order based on a priority system established in MPCA rules.

The IUP, prepared by the Public Facilities Authority, identifies the projects and activities the PFA intends to fund from the CWRP in state fiscal year 2017 (July 1, 2016 to June 30, 2017). Projects must be ranked on the PPL, have an approved wastewater facilities plan or stormwater project plan, and be listed in fundable range on the IUP in order to be eligible to apply for CWRP loans in FY 2017. The lack of a 2016 bonding bill limits the fundable range to carryover projects approved in FY 2016. No new projects are in the fundable range on the 2017 IUP at this time.

The draft 2017 IUP, with the 2017 PPL included as an appendix, is available on the PFA webpage at www.mn.gov/deed/pfa under "PFA Infrastructure Funds and Programs / Clean Water Revolving Fund". If you do not have internet access and would like to receive a paper copy of these documents, contact the appropriate PFA loan officer shown on the back of this notice. Contact Bill Dunn with any questions regarding the draft 2017 PPL and contact Becky Sabie with any questions regarding the draft 2017 IUP.

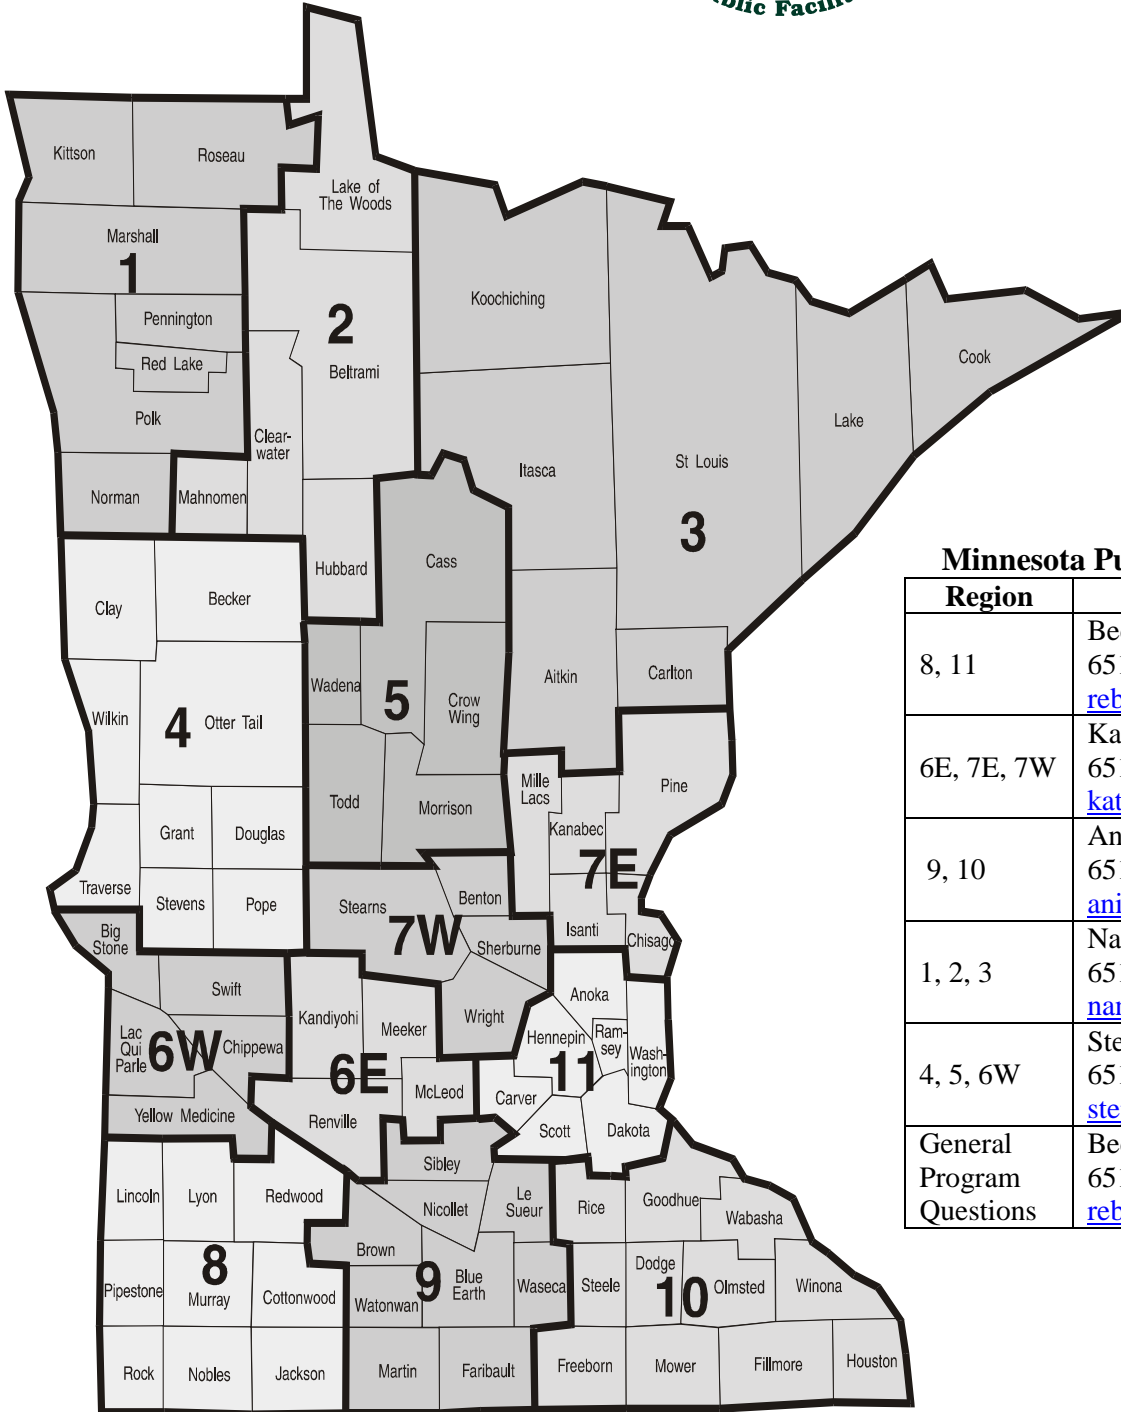

Persons wishing to comment on the draft 2017 PPL or IUP should submit comments in writing or by e-mail by September 23, 2016.

Submit comments on the PPL to:
